

## PERSONALIZING THE DISCLAIMER

Your disclaimer can now be personalized in any way that you like using the FIVE lines available. There is a maximum of 24 characters available per line.

For example:

**\*\*\* COURTESY OF \*\*\*  
YOUR NAME HERE  
COMPANY NAME  
BUS (909) 555-1212  
PGR (909) 555-9191**

To program your message area of the disclaimer:

With your computer in the "RUN" position:

1. PRESS the **[DEF]** key and then the **[D]** key.
2. A **1** will appear on the screen.
3. Begin to type the message that you want to appear on the first (of **five**) line. The computer will automatically center the information after the **[ENTER]** key is pressed.
4. Press the **[ENTER]** key.
5. A **2** will appear on the screen.
6. Begin to type the message that you want to appear on the second (of **five**) line. The computer will automatically center the information.
7. Press the **[ENTER]** key
8. A **3** will appear on the screen.
9. Begin to type the message that you want to appear on the third (of **five**) line. The computer will automatically center the information.
10. Press the **[ENTER]** key
11. A **4** will appear on the screen.
12. Begin to type the message that you want to appear on the fourth (of **five**) line. The computer will automatically center the information.
13. Press the **[ENTER]** key.
14. A **5** will appear on the screen.
15. Begin to type the message that you want to appear on the fifth (of **five**) line. The computer will automatically center the information.
16. Press the **[ENTER]** key.

The disclaimer will now scroll across the screen. Be sure to allow this to finish scrolling.

### TO PRINT YOUR DISCLAIMER

1. Be sure that your printer is in the "ON" position.
2. Press the **[DEF]** key and then the **[H]** key. (H stands for "hard copy").
3. Press the **[DEF]** key and then the **[D]** key. The printer will automatically begin to print the message and add the disclaimer.

**IMPORTANT:** The above information is now stored in your *REALPRO*'s memory and need not be re-entered unless it requires adjusting!
